CAMBRO

Powering the Future of School Nutrition

INNOVATIVE SOLUTIONS
Cutting-edge products tailored for the evolving needs of school cafeterias.

FRESH & NUTRITIOUS
Advanced storage systems ensuring meal freshness and nutrition.

EFFICIENCY & SAFETY
Streamlining meal distribution with versatile, safe serving solutions.

SUSTAINABILITY COMMITMENT
Eco-friendly practices supporting sustainable school meal programs.

HEALTH & WELLNESS ADVOCACY
Championing policies for healthier school meals and student well-being.

COMMUNITY ENGAGEMENT
Collaborating with schools to enhance dining experiences and nutrition education.

"**I'VE BEEN A CHEF SINCE 1993,** and I've always used Cambro. Cambro has always been a brand that I've been loyal to, from the hot boxes that we use on our lunch lines and when we transport catering food. Cambro has always been very efficient for me, and it looks good!"

Warren DeShields

Director of Food Services at Bridgeton Public School

Cambro's commitment to 'Made in USA' manufacturing not only ensures the highest quality and reliability in our products but also aligns with the values of schools seeking to support domestic industries and contribute to a stronger national economy. This dedication reflects our promise to provide the best for the educational sector, while nurturing local communities and sustainability.

Cambro® Vending Cart

Versatile and durable vending solution designed for indoor and outdoor applications.

- Optional merchandising shelves provide optimal display areas for daily menu options.
- Bottom center compartment will hold an EPP300 or UPC300 for hot or cold holding, 18 1/4" x 21 3/4".
- All-weather, vinyl wrap can be personalized for a custom look to fit any brand or messaging needs.

NSF Store Safe

Scan the QR code for video.

> **INITIALLY THEY SHOWED ME (THE CAMBRO VENDING CART)** and because I'm big into school logos and names, I asked if that could be incorporated into the cart... We strategically place them at points that will go where the students are that aren't close to the other serving areas. So if a campus has a cafeteria on the east side, we'll go to the west side with the cart.
>
> **Denis Vorrises**
> Director of Food and Nutrition at San Mateo Union High School District

APPROX. **200** HANDWASHINGS PER TANK

Customize with a colorful wrap design.

Foot pump and automatic soap dispensers promote sanitary, hands free operation.

Promote Frequent Handwashing

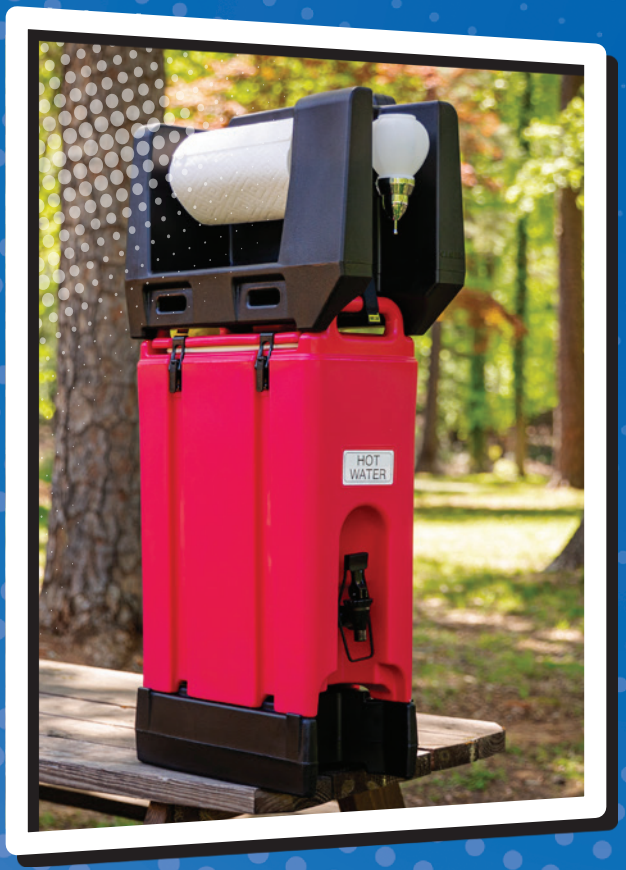

CamKiosk® Hand Sink Cart

- Provide staff and students access to sanitary, contactless handwashing at remote campus locations.
- Faucet is compliant with lead-free regulations.
- Run hot and cold water for up to 70 hand washings.

3 in 1 Handwash Station with Easy Serve Dispenser

- Setup in the hallways or outdoor events.
- Limits surface contact.

NSF Camtainer Only

Camshelving® Ultimate Sheet Pan Rack

Maximize storage capacity to ensure ease of use for employees and feeding of students daily.

- Easy to clean, rust and corrosion-resistant solution for defrosting, cooling or holding a wide variety of menu items.
- Heat-tolerant covers protect food in the racks from contamination.
- Ships knockdown. Modular components snap together quickly and easily.
- Available in 3 heights of 3" or 1 ½" spaced rails.

NSF COMPONENT

> **WE GET ABOUT 100 SERVINGS ON A RACK.** They're easy to use; we push them down each hallway and we are actually getting it done within 15 minutes.
>
> **Julie Rogers**
> Kitchen Supervisor at Warren City Schools, Warren, OH

Camshelving® Universal Storage Rack

Find a new level of organization in your kitchen, making prep efficient for your staff.

- Easy to adjust to fit your menu's changing needs.
- Storage optimization with food pans and food boxes turning into drawers to help you access ingredients.
- Compatible with the Camshelving Series.

NSF COMPONENT

Camshelving®
Ultimate #10 Can Rack System

Create the can storage system your operation needs with the Ultimate #10 Can Rack. This first ever plastic can rack makes storing and inventorying #10 and #5 cans so much easier.

- Front-loading, gravity-fed system supports FIFO organization and food rotation with no need to move the rack for loading or unloading.
- Made with easy to clean, smooth surfaces. Can be completely disassembled and run through the dishwasher.
- Small pads on front provide leverage for easy removal of cans, from any tier.

NSF COMPONENT

Camshelving®
GN Food Pan Trolleys

Food storage made simple for operators with durable construction and low maintenance to ensure food gets to students quickly and easily.

- Holds a variety of GN food pans for prepping, defrosting, or cooling bulk food.
- Easy to clean, rust and corrosion-resistant space-spacing solution.
- Premium plastic casters combined with structurally solid top and bottom frames provide a quiet, smooth gliding rack that easily maneuvers anywhere.

NSF COMPONENT

Premium® Series

SHELVING for LIFE®

Camshelving® Premium, Elements & Basics Plus Series

Highly durable shelving can withstand loaded weight easily.

- Rust and corrosion-resistant, easy to clean storage solution.
- Connect multiple units with shared posts and open corners to maximize space.
- Conveniently adjust and reconfigure shelf tiers for your storage needs to fit a variety of product sizes.

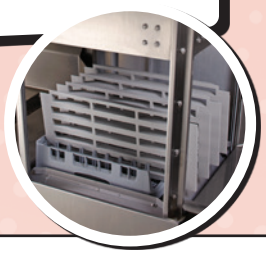

NSF COMPONENT
